About Dayscholor

DayScholar is an innovative mobile application designed to enhance communication and collaboration between schools and parents. The app provides a centralized platform where parents can easily access important information related to their child's academic activities, attendance, transportation, and school announcements.

With real-time updates and a user-friendly interface, DayScholar helps parents stay informed and involved in their child's educational journey. Schools can efficiently share updates, manage student information, and ensure smooth communication with parents through a single digital platform.

The app simplifies everyday school management tasks while ensuring that parents remain connected, informed, and engaged.

Problem & Solution

The Problem

Outdated Communication Methods

Schools still rely on notebooks, printed notices, and verbal messages through students — leading to missed information and delayed updates.

Parents Left in the Dark

Parents struggle to stay informed about attendance, homework announcements, and transportation updates in a timely and reliable manner.

Administrative Bottlenecks

School administrators face significant challenges in efficiently sharing critical updates with hundreds of parents simultaneously.

The Solution

One Smart Digital Platform

DayScholar provides a reliable mobile platform that simplifies communication replacing scattered traditional methods with a single source of truth.

Real-time Updates for Parents

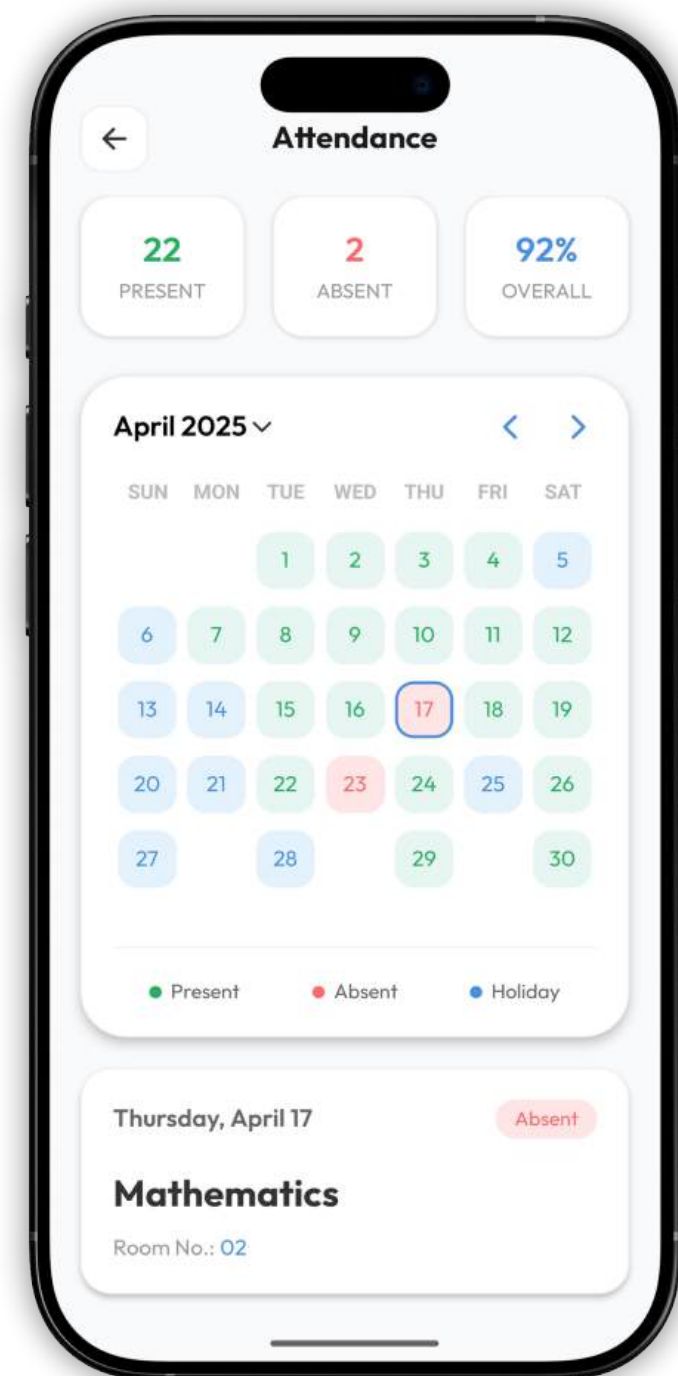

Parents receive instant notifications on attendance, homework, transportation fees, and announcements — always informed, never surprised.

Transparent School Management

Schools manage student data and send mass notifications instantly, creating better transparency and a truly connected educational experience.

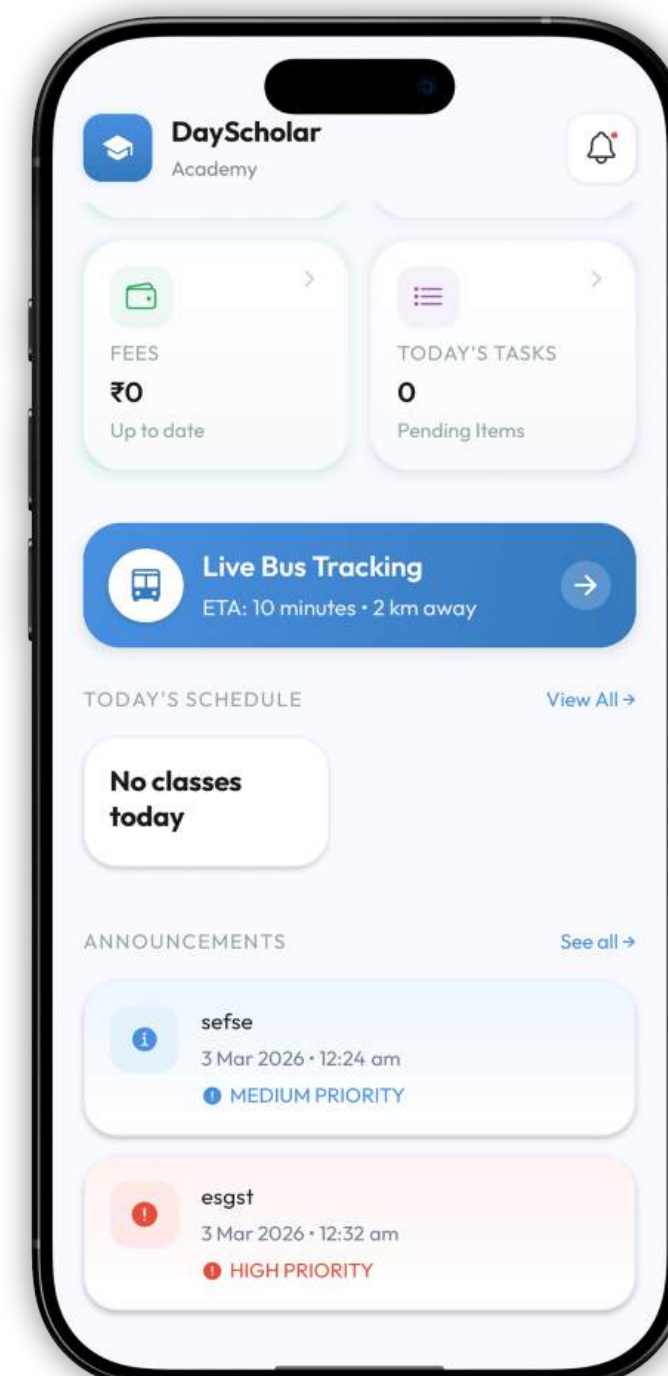

Key Features

Powerful Features Designed for Schools and Parents

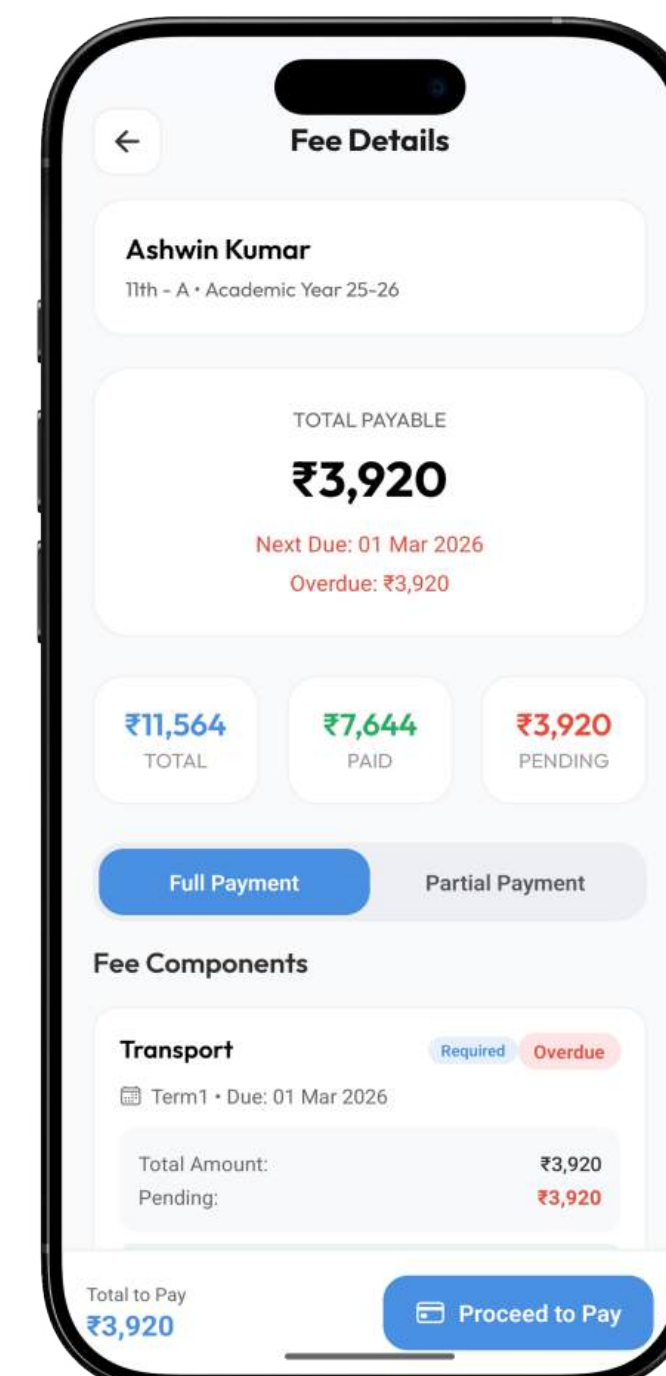

Attendance Tracking

Parents can instantly view their child's attendance records and receive updates on daily attendance status, ensuring better monitoring of student participation.

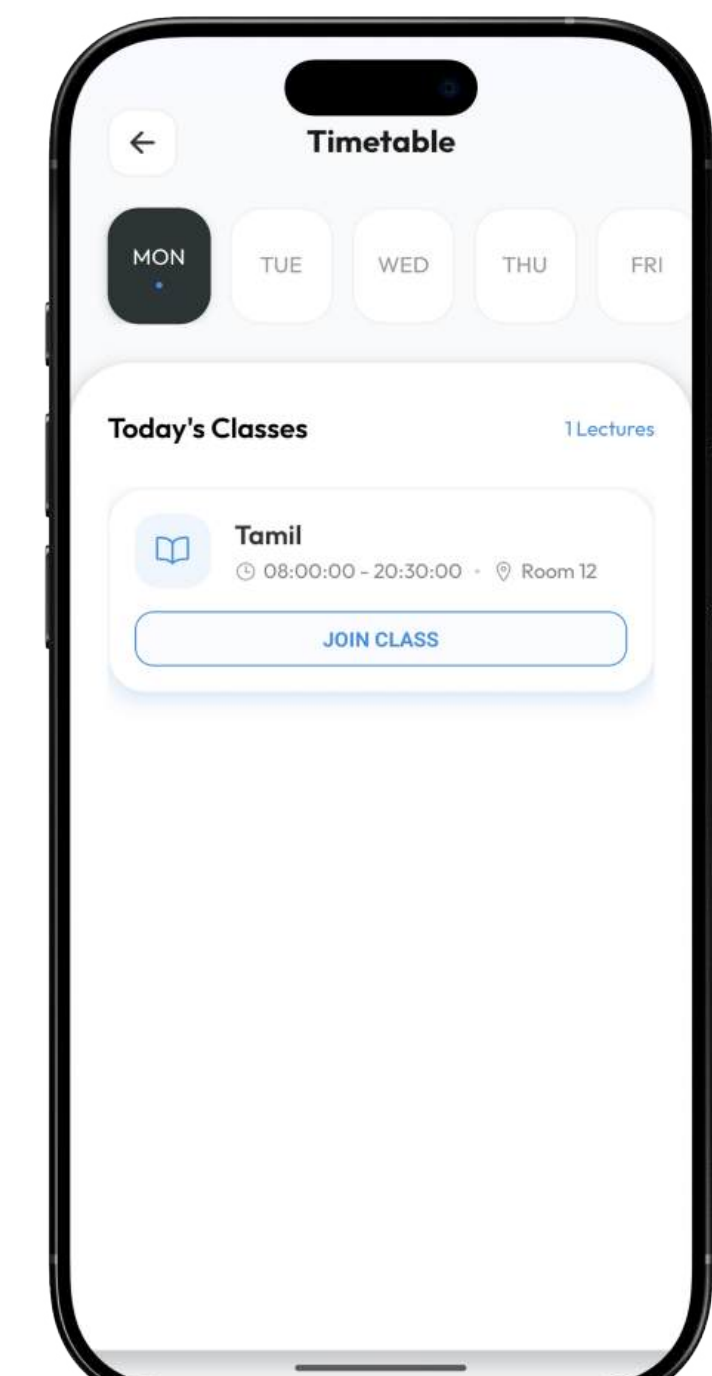

Live Bus Tracking

Track school buses in real time and receive arrival notifications, ensuring student safety and better time management for parents.

Fee Management

Access fee details, payment history, and pending dues through the app, making fee management convenient and fully transparent.

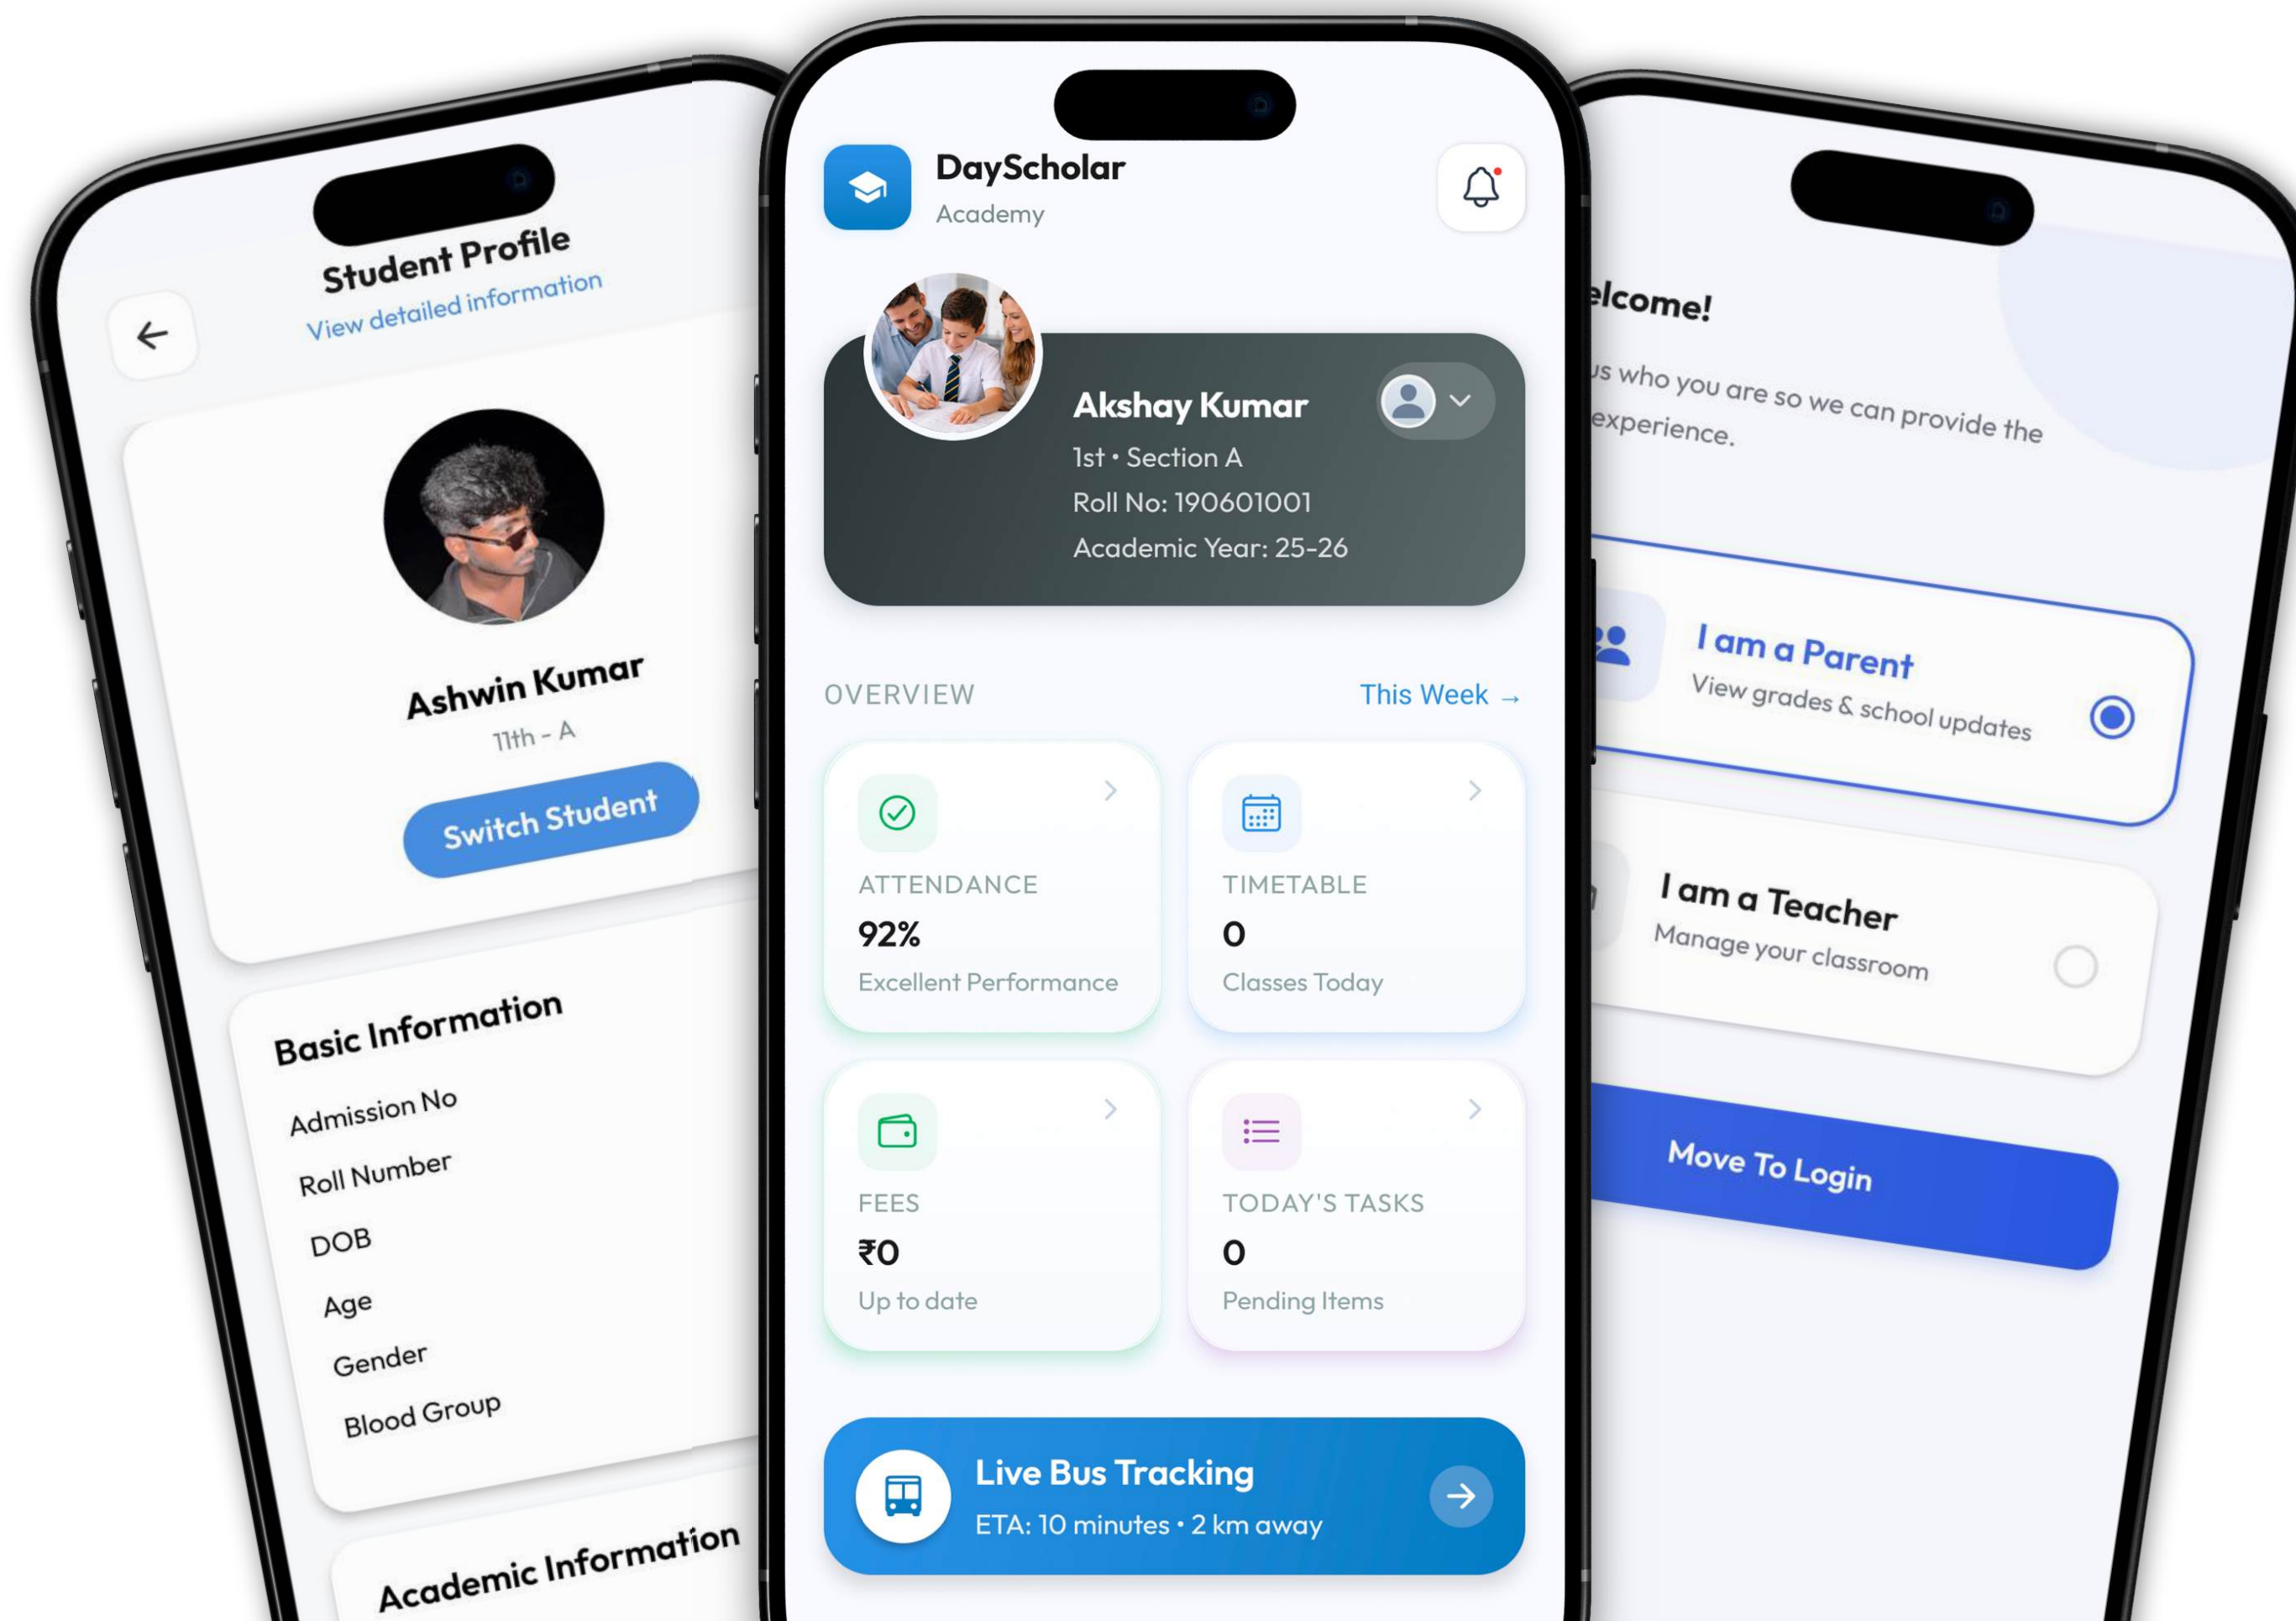

Homework & Timetable

Stay updated with daily homework, upcoming exams, and class schedules to actively support your child's academic progress.
